Attention to Detail

EDUCATION

George Brown College
Associate's degree | Computer Programming & Analysis
September 2019 – April 2023   Toronto, ON

EXPERIENCE

George Brown College | Full-stack Developer
September 2019 – April 2023   Toronto, ON
- Designed a user-friendly interface for customers to find service providers and enabled performers to showcase their experience through a portfolio display.
- Demonstrated proficiency in implementing encryption, security measures, authentication, and database functionalities
- The capstone project showcased my expertise in web application development and ability to lead a team to meet project requirements and deadlines

Lencan Origins Corp | Mobile Developer
April 2019 – September 2022   Toronto, ON
- Collaborated with a team to develop an Android game using Java, demonstrating proficiency in programming concepts.
- Contributed to the design and development of the game, utilizing Java to write clean and maintainable code
- Utilized Android Studio to build and test the game, ensuring its smooth functionality and compatibility.
